**25th Congress of the Polish Neurological Society**

Dear Alina,

I would like to extend my heartfelt thanks for the invitation to participate in your congress in Białystok. It was a great honor for me, as a German neurologist and President of the German Neurological Society, to have the opportunity to deliver a lecture at such a distinguished event.

The connection between Poland and Germany is truly special, and I am delighted that our two professional societies are working together. On behalf of the entire board of the German Neurological Society, I would like to convey our warmest regards to you.

Once again, thank you for your generous hospitality. I look forward to further exchanges between the Polish Neurological Society and the German Neurological Society.

With collegial regards,

Prof. Dr. med. Lars Timmermann  
*President of the German Neurological Society*
